Purpose of Meeting

Year in Review:

- We continue to expand our social media ministry footprint on Facebook, Twitter, Instagram, and Pinterest. We have added a new KW Ministries YouTube Channel to our social media platform. We have a presence in the US and abroad, with an estimated 30,000 combined followers on all platforms. We continue to seek more markets and avenues to expand our ministry footprint.
- Remember because we are a registered 501(c)(3) nonprofit organization, the IRS requires us to make certain related documentation and paperwork pertaining to our tax-exempt status accessible to the public. We have chosen to make this documentation and paperwork available on our website. You can find all of the required documentation / paperwork either on **“Our Board”** page under the **“About”** tab on the Main Menu or our **“Financials”** page under the **“About”** tab on the Main Menu.

For the body is one, comprised of many members and being many, the members collectively are one body. It is by the one Spirit that we, being many are baptized into one body; for this body is not one but a collective. So it is with Kingdom Worker Ministries, we are many individual members joined together as one, one worker for the kingdom (I Corinthians 12:12-14).
